Health and Safety Protocols

To ensure the health and safety of the school community, please complete the attached Consent and Clearance (“CC”) Form prior to your child’s / children’s return to school. Email the completed form back to us at simprug.nurse@binus.edu. After processing the form, we will contact and inform you of the procedures to follow on coming to school on first day.

In line with the government’s regulation of 100% face-face lessons, the school will not be able to support students who decide not to attend face-to-face lessons.
